MEMORANDUM FOR: Director of Personnel

SUBJECT : Deletion of EL and EN Career Services

As discussed with you previously, the E Career Service is now well on the way to establishing competitive evaluation panels within the Career Service. These panels negate the requirement for the subsidiary career service designations of EN and EL. Positions with the EN designator have already been deleted concurrent with the abolishment of the Office of National Estimates table of organization. It is requested that those positions on the Legislative Counsel and General Counsel tables of organization which carry an EL designator be converted to E as soon as possible.

Signed

Administrative Officer, DCI
